

Dear Parents and Guardians,

The holiday season is fast approaching and there is so much fun to be had in the classroom. Since I view ourselves as one family, I would like to create a cookbook of favorite recipes. I am asking each family to contribute their own recipe to be included in our cookbook. The one you pick can either be a holiday tradition or a favorite that you'd love to share!

Attached, I've included a form that you can use to write your recipe. Since this will be shared with all of the families in our class, please use your neatest handwriting. Please have your recipe returned to school by _____. That way, we have plenty of time to put together our cookbooks before the winter holiday.

Finally, I want to thank you for your continued support throughout this school year. It is so important for student success and we couldn't do it without you.

If you have any questions or concerns, please feel free to contact me. I would be happy to answer any questions.

Thank you for all that you do,
